## Repair items that are broken when possible...

### Local Repair Shops

Look for local repair shops in your community to fix broken items.

### Manufacturer

Contact the manufacturer's customer service department for warranty / repair options.

### Repair Café

Bring broken items from home to a Repair Café near you, and various volunteer repair coaches help repair them free of charge. Electronics, small appliances, textiles, bikes, wooden furniture, toys, jewelry...most things that are broken are welcome.
