Dear Members of the Planning Board and Design Review Commission,

RE: Advisory Opinions to the City Council on the UDO

As your board prepares an advisory opinion to the City Council on the proposed Final Draft of the Unified Development Ordinance, we would like you to consider the following additional two documents.

1. SUSTAINABLE SARATOGA'S 12 PRIORITY UDO AMENDMENTS.

This document identifies the 12 most important amendments to the UDO that we would like to see incorporated into the final version of the UDO.

Amendments #2 and #4 are most relevant to the Design Review Commission.

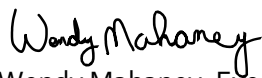

Amendments #1, #3 and #5-12 are most relevant to the Planning Board.

We respectfully request that, in your advisory to the City Council, you include our amendments as part of your recommendations. Thank you for your consideration and please let us know if we can provide more information that might be useful to you.

2. KEY CONCEPTS OF THE 2015 COMPREHENSIVE PLAN RELATING TO THE GREENBELT AND RURAL CHARACTER

This document presents excerpts from the 2015 Comprehensive Plan that sets forth the key policies to protect the greenbelt rural character of the "country" part of the "City in the Country" major theme of the Plan.

Sincerely,

Wendy Mahaney, Executive Director
Sustainable Saratoga
